

SUMMARY CV

Rajdeep Dutta

Profile

Rajdeep Dutta is a Research Associate at CUTS International, working with the CUTS Centre for International Trade, Economics and Environment (CITEE). His research focuses on international trade policy, WTO and multilateralism, sustainable trade, trade and environment, and quantitative economic analysis. He holds an M.A. in Economics (Trade & Finance) from the Indian Institute of Foreign Trade (IIFT), New Delhi.

Experience

At CUTS, he contributes to research on WTO reform, sustainable finance, agricultural value chains, industrial policy and trade competitiveness. His work combines econometric analysis and CGE modelling to support evidence-based policy research, policy briefs, stakeholder consultations and capacity-building initiatives.
