

Profile

Prashant is engaged with CUTS International as Assistant Director. He re-joined CUTS on September 03, 2014 after his first tenure from August, 2013 to June 2014. He holds Masters in Diplomacy, Law and Business (MA.DLB) from Jindal School of International Affairs, O.P.Jindal Global University, India.

Experience & Skills

Prashant has a decade of overall experience including with CUTS International, National Tsing Hua University's Taiwan Education Centre in India and HelpAge India.

In 2017, he was consulted by Asian Development Bank as national consultant for road transport in India. Over these years, he has cultivated hands on project management expertise within development, economic and strategic affairs programmes.

In particular, his functional areas include sustainable and inclusive development, trade facilitation, transport and logistics, economic integration, trade and development, geopolitics and foreign policy.

Equipped with multidisciplinary theoretical, conceptual and evidence based experience, expertise and exposure through MA.DLB and his work at CUTS, he works on related issues for South Asia, India and the U.S. and the Indo-Pacific region.

Furthermore, he is adept at stakeholder mapping, evidence based policy and practice research, resource mobilisation, public affairs and communications. Other than contributing to related projects and studies, he also writes persuasively for Indian media outlets.
