

# Regional Meeting

## Multimodal Connectivity in the BBIN Subregion

Thursday, March 02, 2023

India International Centre, New Delhi

Kuan Cheng Huang

Professor, Department of Transportation and Logistics Management,

National Yang Ming Chiao Tung University, Taiwan

Former Senior Transport Specialist, Sustainable Development and Climate

Change Department, Asian Development Bank

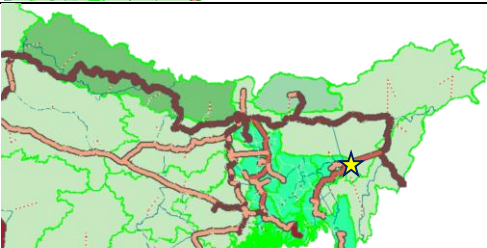

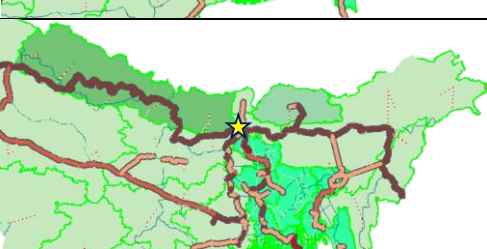

國立陽明交通大學  
NYCU

# Opening Remark Outlines

- RCI (Regional Cooperation and Integration) is the foundation for sub-regional development.
- Multi-modal transport connectivity is an indispensable facilitator for trade and investment.
- Lessons from other sub-regional programs are useful, but BBIN's characteristics are crucial.
- Information and systematic decision-making support are helpful for successful implementation.
  - SIFT (Strategic Investments For Transport) Initiative

# SIFT (Strategic Investments For Transport)

A pilot study for the cross-border infrastructure investments and trade-facilitation policies.
